WELCOME

S.M. Custom Cabinet Doors Designs is known to build high-end top quality custom cabinet doors for a competitive price, and not compromising on quality.

If you are looking for a company that has vision that can help in designing your custom cabinet doors and pays extreme attention to detail, we are here for you. Our first priority and greatest value is our customer service.

We have the state of the art manufacturing facility enabling us truly build the finest quality custom cabinetry. We do not have any expensive showroom facilities that drive up the cost of the cabinets we build. We are not a large factory that mass produces boxes. Instead, we possess the abilities to create custom cabinet doors; the cabinets we build are built for you. Our job is to satisfy each customer, one at a time. This is how you get real quality.

We understand the importance of completing a project according to schedule and have the experience to achieve this on every project whether for one kitchen or 100. Our experienced staff tackles each job with enthusiasm and a continued sense of urgency, maintaining the strongest communication possible with every client.

We want you to know that we consider it a privilege to serve you and we don't take that lightly. Our goal at **S.M. Custom Cabinet Doors Designs** is to deliver exceptional customer service throughout the entire process and not just simply meet your expectations, but to exceed your expectations!

Why choose us?

1. Over 10 years of experience
 2. Passionate work ethic
 3. Prompt project completion
 4. Punctual, professional staff
 5. Excellent customer service & craftsmanship
 6. State of art manufacturing equipment
 7. Tight control on quality
 8. Attentive to client quality
 9. Projects completed within budget
 10. Competitive pricing
- Our exclusive collection of doors and special components are sure to make your customers happy – and happy customers are sure to send new prospects your way.
 - Our focus will continue to be provide our customers with top quality products, while providing excellent customer service. We deeply understand that the purchase of custom cabinet doors can be complex and the success of each project is in the details. Our special team is prepared to help you with each step of the process.

Terms and Conditions

Shipping

Courier for small quantity shipments may be available at a cost to the customer.
Customer pick up

Pricing

MDF prices are based on square footage and vary according to door style, MDF thickness and backing.
Additional design elements such as pocketing back operations are available at an extra cost.

Payment

For customers who have not established open credit with S.M. Ltd., payment is due prior to shipment or upon pick up.
On approved accounts, term is Net 30 days.
S.M. Ltd. accepts Interac, Visa, and MasterCard.

One Year Manufacturer's Warranty

All products are covered for a period of one year from date of shipment. This manufacturer's warranty applies only to products that were properly handled, and store in suitable conditions. This warranty is limited to the original cost of the item as produced by S.M. Ltd. and structural damages only. Alterations to our standard construction void any warranty.

SERVICES

CUSTOM DOORS IN ABOUT TWO-DAY

- ◆ Whether you are in need of custom cabinet doors for a new kitchen installation, replacement cabinet doors for a refacing job, or you need to match existing door for an historical restoration. S.M. CUSTOM CABINET DOORS is equipped with the machinery, the know-how and the capacity to quickly manufacture what you need exactly to your specifications. We welcome the opportunity to create custom doors to unique specifications that may not be represented in this catalogue. We accept AutoCAD files by email. Just choose styles from our library of door designs, or send us your drawings; custom orders are never a problem.
- ◆ We strive to keep our manufacturing lead times as short as possible but with high quality warranty. We will try our best to make you satisfied with our service. Our wide variety of door styles and MDF products, great customer services and a vast selection of customization options are sure to please your company and your customers.
- ◆ We are deeply committed to investing in the latest technology and machinery so we can continue to provide high quality products within the shortest time.
